

The New Jersey Republican State Committee is now accepting internship applications for Summer & Fall 2021!

As one of only two states with state-wide elections this year, New Jersey is the epicenter of political activity in 2021. To ensure that we have strong victories up and down the ticket, the NJGOP is looking for dedicated and responsible interns with an interest in politics and campaigns to join our intern team.

As an intern with the NJGOP you will:

- Explore every aspect of campaigning including communications, data analysis, political operations and fundraising
- Assist staff with building and organizing major events and fundraisers around the state
- Work with staff on comprehensive research projects
- Gain a first-hand experience in New Jersey politics

Qualifications:

- Applicants must be 18 years old and registered to vote
- A comprehensive knowledge of Microsoft Word, Excel, and Google Suite
- Strong organizational and interpersonal skills
- Demonstrate good judgement and attention to detail
- Ability to work independently and with a team

Hours are flexible but require **15 hours each week**. All internships are unpaid but can offer college credit upon request. Our internship program provides the opportunity to build political relationships across the state and the ability to grow as a political operative in a fun and exciting environment!

To apply for an internship with NJGOP and join our intern team, please submit your resume and a brief writing sample to **Tyler@NJGOP.org**
